Parents/Guardians of students in McCreary County Schools who want to check the progress of their children can now access information on line. The Infinite Campus Parent Portal is a free, confidential Web site that allows parents to view up-to-date information about their children's grades, schedules, assignments, attendance and more. The Parent Portal makes it easy for parents to view their children's homework information, missing assignments, absences and tardiness, as well as reach teachers via e-mail.

Currently parents are being registered for this service at their individual schools' open house sessions, and PAC meetings. Parents may also call or visit the McCreary County Schools Central Office located at 120 Raider Way to verify that household information is accurate, and get an activation code to log on to the Parent Portal. Once parents have their username and password, they may access the Parent Portal from any Internet connection anywhere.

We encourage all parents to use this service.

For more information on Parent Portal, contact Ms. Linda Strunk, at the Central Office at 376-2591 ex 1021 or contact Dr. Clint Taylor , Director of Pupil Personnel at ex 1011

If you already have an Infinite Campus parent-portal username and password, click on the link below to access the site:
